**Biography**

„There´s only one way to rock“ – as Sammy Hager always used to say! The band ONEWAY was founded at the end of 2002. After a long session night we decided to found a new Heavy-Rock - Band, covering rock-juwels right out of the golden 80ies and 90ies => ONEWAY was born!

**Current Line-Up:**

Cassy	(Thomas Cassan)	Lead-Vocals & Percussions
Mur	(Peter Mauerhofer)	Guitars, & Backing Vocals
Jonny	(Jonny Stutz)	Guitars & stroke of genius
Marcel	(Marcel Gätzi)	Bass & Backing Vocals
Pete	(Peter Voser)	Drums, Percussions & Backing Vocals

Cassy, the voice of ONEWAY, was lead singer in various local metal-bands in the 80ies, especially with his band “Mortician” who he led to some striking success. Later he released various albums with the well-known „Art of Fear“ from Feldkirch/Austria. These albums received rave reviews in some international metal-magazines. In summer of 2006 Cassy decided to quit “Art of Fear” in order to give his full power and energy to ONEWAY.

Mur was lead-guitarist of “Satrox” who were successful in Switzerland at the beginning of the 90ies. Satrox were signed by Sony Music, both albums reached top ten of the Swiss Charts, and they were touring together with top-acts like Gotthard, China and many more.

Jonny, and old mate of Mur, had also lot of success with his former band „Allison“ in the 90iers. „Allison“ created many great songs such as „Dreams of Glory“ which was the official Song in Germany for the football world-championship in 1994! “Allison” played hundreds of shows, one of the most special one as support of VAN HALEN and BON JOVI to an audience of 50'000 people! Jonny is an excellent guitar player and a value member of ONEWAY.

Marcel und Pete – the “rhythm-machine” – give the band a tight and powerful basis for a solid ball of rock!

With various shows in Switzerland and Austria ONEWAY are known as a live-act of inspiring reputation. After covering more than 30 Rock Jewels ONEWAY decided to head their concentration in writing their own songs. There are a lot of ideas, creativity and experiences which inspires the band to create new songs! Songs like „Back where I belong“, „Feel the Fire“ or „Show me your heart“ complete the band´s set-list. For the time being the band´s just working out some more new songs.
